

About the Bible Reading Plan

This Bible Reading Plan is designed to give you a simple, systematic way to read the Bible through in one year. The Bible is among the longest books ever written and has great complexity and depth. The average person can read the Bible through in about 70 hours. By reading a portion daily you can better understand and digest what you are reading.

Why This Particular Reading Plan?

We've chosen this plan because it allows reading the Old and New Testaments simultaneously, and it places books in an order more conducive to learning and understanding. Portions of the Old Testament, for instance, are not placed chronologically in the Bible. This plan will help keep your reading fresh and engaging.

Take Notes

When you read a passage, or section, of the Bible each day, try focusing on one or two verses that make an impression on you. Write down those verses and what you observed. Keeping a Bible notebook is among the most effective ways to make your Bible reading a rich and rewarding experience.

Additional Resources

If spending time daily in God's Word is new to you, we recommend the book *The Divine Mentor* by Wayne Cordeiro. This practical and instructional writing will give you simple and effective methods to make daily Bible reading and prayer a powerful and engaging experience. The book is available from Amazon.com and other retailers. You can find this reading plan and more Bible resources at crosspointechurch.com/bible.
